ITEM SUMMARY:

A significant number of puppies and kittens sold at pet shops come from large-scale, commercial breeding facilities where the health and welfare of the animals are not adequately provided for (“puppy mills” and “kitten mills,” respectively).

According to The Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet shop dogs and cats come from puppy mills and kitten mills.

The inhumane conditions in puppy and kitten mill facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet shops due to both a lack of education on the issue and misleading tactics of pet shops in some cases. These health and behavioral issues, which may not present themselves until sometime after the purchase of the animals, can impose exorbitant financial and emotional costs on consumers.

Current Federal, State and County regulations do not properly address the sale of puppy and kitten mill dogs and cats in pet shops. Therefore, staff would like to revise the City Code regarding animals to include prohibiting the sale of puppy and kitten mill animals. Prohibiting the retail sale of puppies and kittens is likely to decrease the demand for puppies and kittens bred in puppy and kitten mills, and will hopefully increase the demand for animals from animal shelters and rescue organizations.

ACTIONS PROPOSED:

Staff recommends adoption of Ordinance No. 19-O-0006.

ORDINANCE NO. 19-O-0006

If the animal is not reclaimed by the owner within five (5) days of the end of the observation period, the animal will be euthanized.

- E. If the animal confined is determined not to be infected with rabies at the end of the period of confinement it shall be released from quarantine. The animal owner shall show proof of rabies inoculation for cats and dogs and shall pay any fee, charge or penalty including any fee for veterinary services attributed to the bite. A confined animal, when not redeemed by the owner may be disposed of in accordance with the Illinois state law.

It shall be unlawful for the owner of such animal to refuse or fail to comply with the written or printed instructions made by the administrator. If such instructions cannot be delivered in person they shall be mailed to the owner of such animal by regular mail, postage prepaid. The affidavit or testimony of the administrator delivering or mailing such instructions is prima facie evidence that the owner of such animal was notified of his responsibilities.

Sec. 11-81. – Rabies Case Procedure

- A. It shall be unlawful for the owner of an animal which shows signs of rabies or which acts in a manner which would lead a person to believe that such animal may have rabies to fail to notify the local police immediately by telephone or in person.
- B. The administrator shall investigate each report of an animal which shows signs of rabies or acts in a manner which would lead a person to believe that the animal may have rabies. Upon determination by the administrator or a licensed veterinarian that an animal may be infected with rabies, the owner of such animal shall be required by the administrator to surrender the animal to the administrator or a licensed veterinarian for confinement for a period of time as determined by the Illinois Department of Agriculture.
- C. When the animal confined is determined to be infected with rabies by the examining veterinarian the administrator shall order the animal humanely destroyed. A copy of this order shall be given to the owner of the animal or mailed to the last known address of the owner. Any animal capable of transmitting rabies in direct contact with the rabid animal whether or not the exposed animal has been inoculated with rabies shall be confined as recommended by the administrator. The administrator may order the exposed animal euthanized.
- D. If the animal confined is determined not to be infected with rabies at the end of the period of confinement it shall be released to the owner of such animal upon presenting proof of a current rabies inoculation certificate for cats and dogs and payment of any fee, charge or penalty including any fee for veterinary services. If the animal is not redeemed by the owner, the animal may be disposed of in accordance with Illinois State Law.

- E. Whenever a case of rabies has occurred in a locality, or whenever the proper officials of a government unit are apprehensive of the spread of rabies, the administrator shall act as directed by the rules and regulations of the Illinois Department of Agriculture.

- A. Whenever an Officer or Community Service Officer observes or is informed that an animal is roaming freely and not under the control of the owner, the animal shall be immediately apprehended and impounded. Any person may apprehend a stray animal and inform the local police or the administrator so that the stray animal can be impounded.
1. All stray animals impounded shall have a record. The record shall include the owner's name, address and telephone number, if known; species or breed, color, sex and physical condition of the animal; license or tag number, if known; and the time and date impounded.
 2. The stray animal owner is responsible for all costs relating to the apprehension and impoundment of the animal found not under control.
 3. Owners of any dog or cat adopted from DuPage County Animal Care and Control shall have the animal examined by a veterinarian within seven (7) days of adoption and receive any necessary vaccinations and medications. The adopting owner shall not sell the animal nor use it in any way as a source of revenue. The adopting owner shall not give away or dispose of in any manner the animal within one (1) year of the date of adoption without the approval of the administrator.

Dear City Hall:

On Good Friday, April 19th, 2019, St. Mary's parishioners will gather at our Church at 12:00 noon. They will act out the Stations of the Cross starting in front of our Church. They will walk down to the entrance of our parking lot and eventually cross over to our field on Garden Street. The majority of the time, we will be on Church property. The crowd will probably spill over onto Oakwood in front of our Church for the first fifteen minutes of the program. Then cross over Garden Street to get into the field.

The event does not include the selling of food or any other activity, just basically a religious procession.

Sincerely,

Rev. David Lawrence
Pastor

ABD Cycling Club Bicycle Race Proposal

05/27/2019 @ Enterprise Circle

Primary Organizer: Athletes By Design Cycling Club (ABD)

- Founded in 1998, the ABD is a 200-member, volunteer-based organization based in Winfield, Illinois.
- ABD's primary goal is to support young athletes with Olympic potential and promote the sport of cycling. We also support a local Paralympic racer.
- Membership is primarily comprised of professionals (doctors, teachers, municipal employees, teachers, small-business owners) between the ages of 35 and 55.
- Currently ABD organizes 15 sanctioned races each year in the communities of Winfield, Wood Dale, Maple Park, and Geneva
- The volunteer event staff ranges between 12 and 120 people depending on the event. The average age of an ABD volunteer is 35 years old and they have experience in at least 10 previous events. Some volunteers have worked over 50 events for ABD.
- ABD's largest event is the Winfield Criterium, first held in 2000. It attracts over 400 riders and up to 3,000 spectators each year. The course incorporates Winfield Road and affects over 300 residents.

Governing & Insuring Body: American Bicycle Racing (ABR)

Event Directors:

- Mary Lee Geraghty, ABD Vice-President
- Mike Farrell (On-site Director), ABD Administrator

"Prep Work:"

- Have contacted Trish Tell at Strong Ties and received permission for use of their parking lot and the road.
- Have contacted Mike Rolanda at DSC/DS Containers and received his permission to use the roads, they are closed that day.

General Details:

- Set-up starts at 7:30 a.m. and tear down finishes at 3 p.m. Races begin at 9 a.m. and conclude at 2:20 p.m. The loop is

approximately 6/10 of one mile.

- Approximately 100 competitors are expected to participate, but they are spread throughout the day into six (6) separate race categories.
- Parking for racers will be at Strong Ties.
- Three (3) port-o-lets will be set up near the racer registration area for all racers and volunteers
- Course marshals will be stationed around the course as well as necessary intervals to maintain a "line of sight" so that they can see the marshal stationed before and after them at all times. Orange flags will be raised to indicate approaching riders.
- A Pace Car will precede the racers around the course at a distance of approximately 50 yards. It includes an experienced driver and passenger who can communicate back to the racers with hand signals. The pace car lets marshals know to expect riders coming through but can also bring the riders to a halt in less than 10 seconds should there be an emergency.
- We have arranged for a licensed EMT's to be stationed on the course.
- 3 ABR officials, and an announcer and an ABD volunteer are stationed at the Start/Finish line all day.
- Race registration will have two to four people at it all day (depending on the "field" size of the upcoming races)
- All officials, EMT's and course marshals will communicate via two-way radios and a cell phone list is distributed to key personnel should the radios fail.
- A "wheel pit" is manned by an official and provided for riders who suffer a mechanical failure and need to replace a wheel or repair their bikes. (Riders are typically given 1 "free lap" during a race)
- Lunches, water and soft drinks will be provided for all race officials and volunteers. Two "floating" volunteers will travel the course to distribute this as well as provide relief to volunteers that need it.

**Narrative for Special Event Permit
City of West Chicago
March 12, 2019**

Community High School – District 94 respectfully requests the permission of the City of West Chicago to hold its annual Homecoming Parade on Friday, October 18, 2019. The Homecoming Parade is the culmination of a number of competitions and activities hosted during the Homecoming week by various teams, clubs, and classes. All activities, teams, and student council “classes” are encouraged to build floats and participant in this Homecoming tradition.

The parade begins at the H entrance of the high school (South East corner: Joliet St. and Ann St.) and proceeds through the streets of West Chicago (see attached map) making a loop around Lemay Middle School, passing two elementary schools, and finally arriving back at the High School. In this way, the teams and clubs can share their “Wildcat Spirit” with the children who will one day be part of the High School student body.

In years past, the police and fire departments have led this parade with their vehicles. We are requesting that they do the same this year.

Thank you for your consideration,

The suspect is known to the victims as he is a previous employee of the restaurant. Detectives Herbert and Bowers attempted to interview the suspect who was being held at the DuPage County Jail, however, the suspect declined. On January 31st, the DuPage County State's Attorney's Office approved a charge of Attempted Burglary against the suspect and a warrant for his arrest was obtained on February 4th. On December 26, 2018, Officer Rigler was dispatched to the Menards located at 220 W. North Ave., for a retail theft report. A second suspect then entered the store and purchased the same locks for \$14.79 each and exited the store. A third subject then entered the store and attempted to return the same locks with no receipt(s). Store personnel obtained a copy of the subject's driver's license and gave him paperwork to complete, but the subject left the store with the locks. From the name and ID provided on the in-store credit, suspect information was developed. Detective Herbert obtained surveillance video from the store that provided suspect vehicle information as well as offender images. Detective Herbert was able to identify both suspects. Both suspects were interviewed and denied any involvement in the theft. The DuPage County State's Attorney's Office approved felony Retail Theft charges against the two identified suspects. During the month of February, West Chicago Police Officers took numerous reports of theft of gas from the Thornton's gas station located at 1330 S.
