 - 1. Four boxes of syringes
 - 2. Approximately 150 lbs. of medications
 - b. Discussion: Commissioner Cherrington discussed global issues related to climate change and global warming. Cherrington was also interested in promoting native plants and being a leader in the community to discourage the use of fertilizers and chemicals and encourage infrequent lawn cutting. Furthermore, Cherrington wanted the Commission to partner with local businesses to encourage residents to build butterfly gardens and plant more native plant species where space allows. All Commissioners were interested in focusing efforts on local environmental issues while providing more education to the residents. Commissioner Cherrington, Williams, and Zimmermann showed support for frequent outreach by newsletter and keeping residents and partners more engaged in activities related to the Environmental Commission.

- 8. Adjournment
 - a. At 7:51 P.M., Commissioner Zimmermann made a motion to adjourn. Commissioner Cherrington seconded the motion. The motion was unanimously approved by voice vote.

Respectfully,

Dave Shah, PE
Assistant Director of Public Works
